

Art and Design Skills Grid

Below are some activities to support your child in developing key skills in Art and Design.

Key Stage 1

<i>Collect recyclable objects to create a character from a book</i>	<i>Forage outside for branches and leaves to create a nature picture</i>	<i>Draw a repeated pattern</i>
<i>Paint a portrait of a family member</i>	<i>Research a significant artist and try to replicate their art work.</i>	<i>Paint or draw a rainbow thinking about the different colours needed</i>
<i>Use your pencil to create tone and texture when drawing a picture</i>	<i>Sketch a self-portrait using shading techniques</i>	<i>Collect items from the garden to create artwork to represent the different seasons</i>

Key Stage 2

<p><i>Research a significant artist based on your current topic and replicate their work</i></p>	<p><i>Using shading techniques, shade a portrait of a character from your current English book</i></p>	<p><i>Using materials from around your house and garden create a collage</i></p>
<p><i>Create an abstract piece of artwork</i></p>	<p><i>Research the technique pointillism and create artwork based on it</i></p>	<p><i>Evaluate a piece of existing artwork using analytical language</i></p>
<p><i>Design a sculpture, annotate your ideas. Think about materials, colour and the techniques you will need to use.</i></p>	<p><i>Using materials around your house create your own paint to paint a picture, for example coffee, spices or mud from the garden. (Ask permission first)</i></p>	<p><i>Evaluate and analyse a piece of your own artwork, how could it be improved? What did you do well?</i></p>
